3. Copy of letter No 357/27-28 dated the 3rd March 1928 from the President accompanies

I have

Letter No 357/27-28 dated 3rd March 1928 from the President, Town Municipal Council, Closepet, to the Deputy Commissioner, Bangalore District, Bangalore

---

In submitting herewith the copy of the resolution regarding the temporary entertainment of an additional Bill Collector passed in the meeting of the Municipal Council held on 29th February 19-8, I have the honour to state that the arrears are very heavy and in case any satisfactory progress has to be achieved during the year in the recovery of long standing arrears it is necessary to strengthen the collecting agency temporarily for four months at least. The extra expenditure involved can be met out of the savings under the head 3 E 2 a Conservancy and Sanitation Establishment

2. In connection with some of the pressing needs of the Municipality as for instance Town extension, Removal of Holageries etc., it is intended to operate on the closing balance of the Municipality and it is therefore essential to augment the balance at the credit of the Municipality by all possible means and the best way at present seems to be to show extra activity in the collection of the arrears I therefore request you to accord sanction to the temporary appointment of a Bill Collector on Rs 12/- up to the end of June as the matter is urgent I propose entertaining a competent hand shortly in anticipation of your kind approval
